EXAMPLES AND SIZES GUIDE FOR SMALL WORKS & GIVE THE GIFT OF ART EXHIBITIONS

The below are general rules of thumb. The gallery will look at work on a case-by-case basis to determine the most appropriate submission fee. Discounted submission fees are awarded to ensure that artists with pieces that are priced lower are not taken advantage of. Please feel free to submit more than eight pieces for these exhibitions. Simply attach additional inventory pages as needed.

Framed works of art that have at least 3" of hanging space above the cross wire on the back of the piece should be hung by our traditional hook and wire apparatus. These pieces will be accepted at the rate of 2 pieces/\$5. No limit (within reason!) on the number of pieces.

For palm-sized pieces and smaller that are too small to hang individually from a wire hook, we recommend hanging several mini's pinned inside an open front frame with a cardboard or foam board insert. Add an artist label listing the titles and prices of the pieces. Then hang the support frame in the usual way, with side-to-side wire on the back. The fee for this collection piece is \$5 when filled with 5 or fewer mini's. This is the 5 pieces/\$5 special.

For painted ornaments and other hand-held pieces, artists may Submit 10 pieces/\$5.
